

PROJECT SITREP 3

CG-1486 HH-3F Mini-Refurbishment

RESUMES FOLLOWING WEATHER HOLD

Highlights

- 2018 is the 75th Anniversary of Naval Helicopter Aviation
- CGAA highlighting Coast Guard central role by supporting induction of HH-3F CG1486 to the NNAAM collection

- 1486 at the National Naval Aviation Museum, Naval Air Station Pensacola Florida
- Corrosion abatement resumed following halt for cold January weather
- Aircraft surface being prepped with mechanical and chemical paint/corrosion removal
- Surface preparation is the most tedious step to prepping the 1486 for museum display
- Surface priming and application of paint top coats anticipated in early February

Add Your Nametag to The Crew Roster

- Support the effort and place your name tag in the aircraft with a generous contribution
- Join the 150 of your fellow Pteros and Aviation Enthusiasts who have contributed to prep the 1486 for display
- For more information follow the "Contribute Now" link below

Contribute Now

Select the Contribute Now link above or go the Ptero Website www.aoptero.org for more info and to contribute with a credit/debit card.

Contribute Via US Mail

- ⇒ Make Checks Payable to: CGAA
- ⇒ Send your name tag along with your donation and be included as the CG-1486 crew.
- ⇒ If paid by credit card, simply send your nametag.
